Re. Application number 10/ 733944
GENERATOR WITH OUTPUT OPTIONS

Filed December 12 2003

Dear Mr. Schuberg: The applicant has numerous times tried to contact the Examiner for clarification:

- * Phone calls to Mr. Nguyen on 6/23/06 and two weeks later, left message ; (no call back)
- * Phone calls to Lisa Wright on 6/23/06, and later, left message ; (no call back)
- Written requests with my Fax, phone or E-mail address; no callback.
- My last reply was mailed and faxed on 6 23 2006.
- The reply has been in the possession of PTO since June 2006.
- The Examiner has not replied in any manner since;
until I received a communication letter almost a year later (mailed 6/12/2007)
- It does not seem fair to ask for an additional \$ 625 for extension of time
when the delay is at PTO.
- I would courteously request that the "extension of time" fee be waived.

Respectfully submitted
